

ANHUI WUHU FILTER MATERIAL CO., LTD.

安徽五湖滤材有限公司 — Professional Industrial Filtration Manufacturer Since 2016

High-Flow Filtration for Demanding Industries

CLANDE Filtration

2016

Established

18,000 m²

Factory Area

16 Lines

Automated Production

RMB 20M

Registered Capital

Company Overview

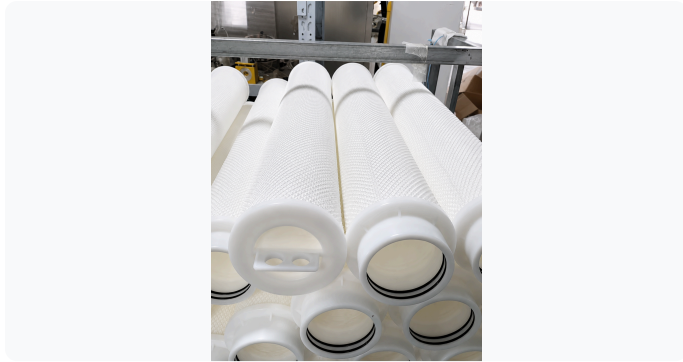

Company Name	Anhui Wuhu Filter Material Co., Ltd.
Established	April 2016
Registered Capital	RMB 20,000,000
Employees	67 (including 8% R&D staff)
Certification	ISO 9001 Quality Management System
Export License	Yes — direct FOB / CIF shipment
Location	No.6 Gongliu Road, Economic Development Zone, Taihe County, Fuyang, Anhui, China

Annual Production Capacity

Product	Annual Output
High Flow Water Filter Cartridges	500,000 pcs
PTFE / Fiberglass / Polyester Cartridges	100,000 pcs
Liquid Filter Bags	1,000,000 pcs

Dust Filter Cartridges	200,000 pcs
Dust Filter Bags	600,000 pcs
Filter Press Cloths	500,000 sets

Core Products

High Flow Pleated Filter Cartridges

- Media: PP / PBT / Glass Fiber / PTFE
- Micron: 0.5 μ m – 200 μ m
- Length: 40" standard (other sizes negotiable)
- Flow: up to 70 m³/h per cartridge
- Compatible with standard housings

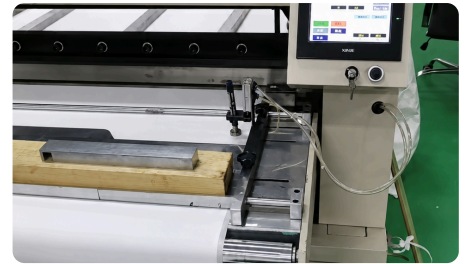

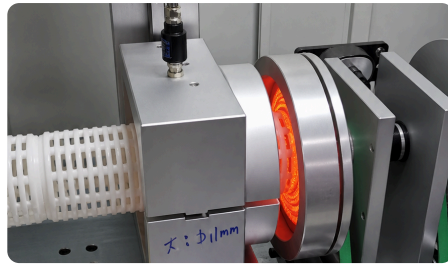

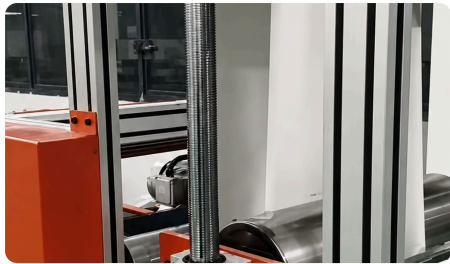

Liquid Filter Bags

- Media: PP / PE (Nylon / PTFE available on request)
- Micron: 0.5 μ m – 200 μ m
- Standard sizes: #1 (180×430mm) & #2 (180×810mm)
- Custom sizes available on order quantity
- Ring: SS / PP / Galvanized
- Welded seam available

Equipment & Quality Assurance

Full in-house production and testing capabilities

Production Equipment

✓ 26× German Autra infrared welding machines

✓ 6× Jiahe high-speed needle punch lines

✓ 49× Picanol filter cloth weaving machines

✓ 24× Cartridge pleating machines

✓ 11× Laser cutting machines

✓ 12× Auto dust bag sewing lines

QC Laboratory & Testing Equipment

✓ Automatic filtration test bench (efficiency + resistance + dust holding)

✓ Aerosol generator + laser particle counter

✓ Scanning Electron Microscope (SEM) × 2

✓ 4× Filtration precision testers

✓ 4× Density & air permeability testers

✓ 2× Tensile strength testers

✓ Universal testing machine

✓ Thermal analyzer (TG/DSC)

✓ Aging test chamber

Our Clients

Serving 30+ enterprise clients including publicly listed companies:

Industry	Clients
Chemical	Anhui Jinmei Zhongneng, Anhui Haoyuan Group, Anhui Quansheng, Shandong Haili, Zhongyan Chemical, Xinlianxin Chemical, etc.
Dairy	Wondersun, Bright Dairy, Feihe, Junlebao
Silicon & New Materials	Hoshine Silicon, LONGi Silicon, Fujian Yongrong Tech

Why Choose Us

★ Own factory — not a trading company

★ ISO 9001 certified quality system

★ In-house QC lab with SEM & particle counter

★ Compatible with major brand housings

★ Sample support before bulk orders

★ Own export license — direct FOB/CIF

★ Lead time: 7–15 working days

★ Free samples (freight paid by buyer)
